

# To installers & technicians

1.

## Install Airwallet on the machines

Scan the QR code on the back of the Airwallet device or go to [airwallet.net/technicians](https://airwallet.net/technicians) to find your installation guide.

If you don't know how to install the Airwallet device go to [airwallet.net/techguide](https://airwallet.net/techguide) to find the installation diagrams for all major brands or contact us on **+45 7870 9999** or [contact@airwallet.net](mailto:contact@airwallet.net).

2.

## Test the installation

Download the Airwallet app from App Store, Google Play, or App Gallery and pay on all the machines to test your installations. Payments can be refunded on the dashboard at [admin.airwallet.net](https://admin.airwallet.net).

3.

## Inform the tenants

Airwallet deliver introduction flyers to users of the shared laundry. Please put a flyer in all the users' mailboxes or place the flyer accessibly in the laundry.
